What is Managed Wi-Fi?

It's Wi-Fi Unleashed! Safe, fast, reliable Internet service that covers your whole home. Managed all from the palm of your hand with the CommandIQ app and powered by Albany Fiber Communications, Managed Wi-Fi 6.

The Managed Wi-Fi Experience NOW comes with:

- Schedule timers for children to use the Internet.
- Overview of different App's usage.
- Automatic Wi-Fi security updates: App blocking access such as TikTok, Facebook, Reddit, etc.
- FREE repair and replacement: if your system stops working, we will replace it free of charge.
- FREE on site support: if we can't fix it remotely, we will come to you.
- With the CommandIQ App you can personalize and control your network with ease.
- Block access to categories of content like: online games, shopping, gambling, and explicit content.

CommandIQ®

CommandIQ gives you an instant snapshot of your home or small business network. Through the app you can view all the connected devices on your network, set up parental controls, run speed tests, change your SSID and password, and much more. CommandIQ puts you in charge!
